

OUR MISSION

Syncfusion's mission is to offer exceptional enterprise solutions and services that enable software developers to create quality applications faster. We provide .NET and JavaScript components, custom solutions, and user experience design services that enable developers to meet the ever-expanding expectations of today's web, mobile, and desktop users. **Our success is directly tied to the innovation our clients deliver, so we are committed to providing solid solutions, insightful consultation, and strong support.**

ABOUT US

Syncfusion is the enterprise technology partner of choice for software development, delivering a broad range of web, mobile, and desktop controls coupled with a service-oriented approach throughout the entire application lifecycle. Syncfusion has established itself as the trusted partner worldwide for use in mission-critical applications. Founded in 2001 and headquartered in Research Triangle Park, N.C., Syncfusion has more than 12,000 customers, including large financial institutions, Fortune 100 companies, and global IT consultancies.
