Walk-In

French Translator
1 to 3 Years Experience
November 4th to 7th, 2025
Time: 9.00 AM

Job Description:

We are looking for a **French Translator** with excellent written communication skills to translate and localize Syncfusion's **English-language technical and marketing content** into **French**. The ideal candidate will have prior experience in translating **technical documentation, user guides, and website content**, and should possess a strong grasp of both linguistic precision and cultural adaptation suitable for French-speaking audiences.

Key Responsibilities:

- Translate technical documentation, user guides, website content, and marketing materials from **English to French**.
- Ensure translations maintain the meaning, tone, and technical accuracy of the source content while adapting it appropriately for the French-speaking audience.
- Collaborate with technical writers, editors, and product teams to produce high-quality, localized documentation.
- Proofread and edit translated materials for accuracy, fluency, and consistency in terminology.
- Work with the localization and content teams to maintain translation glossaries and style guides.
- Ensure all translations align with Syncfusion's branding, quality, and documentation standards.

Requirements

- Excellent written proficiency in **French and English** - written fluency is mandatory; spoken fluency in French is an added advantage.
- Familiarity with **technical or developer-focused documentation** and marketing content translation.
- Strong attention to detail and commitment to producing accurate, clear, and consistent translations.
- Ability to manage multiple projects and meet deadlines in a remote work environment.
- Familiarity with **translation tools** (such as SDL Trados, MemoQ, or similar) is a plus.

Preferred Skills

- Experience in translating **software documentation, UI strings, product manuals, or API guides**.
- Understanding of **marketing and localization** best practices for websites and product promotions.
- Strong research and comprehension skills to grasp technical concepts quickly.
- Self-motivated, proactive, and capable of collaborating effectively with cross-functional teams.

Eligibility Criteria:

- Minimum of 60% in all academics (HSC mandatory).
- Graduates between 2021 and 2024
- No gaps of any kind.

Qualification: Bachelor's degree in **French language, translation studies, linguistics**, or a related field.

Experience: 1 to 3 years of experience in professional translation (preferably in IT, software, or technology domains).

Perks and Benefits:

- 100% remote / work-from-home opportunity
- Competitive salary package
- Opportunity to contribute to global software products used by developers worldwide
- Exposure to international content and localization projects

Venue:

Syncfusion Software Pvt., Ltd.
AJ-217, Eymard Complex,
4th Avenue, Shanthi Colony,
Anna Nagar, Chennai - 600040.

Interested and Eligible candidates can come for walk-in on **November 4th to 7th, 2025 at 9.00 AM.**
