### **Job Description:**

We are seeking a **German Translator** with strong written communication skills to translate and localize Syncfusion's English-language technical and marketing content into **German**. The ideal candidate will have prior experience translating **technical documentation, user guides, and website content**, and should possess a keen understanding of both linguistic accuracy and cultural adaptation.

### **Key Responsibilities:**

- Translate English technical content, product documentation, user guides, and marketing materials into **German**.
- Maintain the original meaning, clarity, tone, and technical accuracy of content while ensuring it is culturally appropriate for the German-speaking audience.
- Work closely with technical writers, editors, and product teams to ensure high-quality translations.
- Review, proofread, and edit translated materials for grammatical correctness, clarity, and terminology consistency.
- Collaborate with content and localization teams to improve translation processes and maintain term glossaries.
- Ensure that translated content aligns with Syncfusion's brand voice and documentation standards.

### **Requirements:**

- Excellent command of **English and German (written)** - written proficiency is mandatory; spoken fluency in German is an added advantage.
- Strong understanding of technical terminology and ability to translate developer-focused documentation.
- Attention to detail and a high standard of accuracy in translation and proofreading.
- Ability to meet deadlines while handling multiple projects.
- Familiarity with translation tools or software (e.g., SDL Trados, MemoQ, or equivalent) is a plus.

### **Preferred Skills:**

- Experience translating **technical or software-related content** such as API documentation, UI text, or user manuals.
- Exposure to **marketing localization** for websites, brochures, and campaigns.
- Strong research skills to understand product functionality and technical context.
- Ability to work independently and communicate effectively in a remote environment.

### **Eligibility Criteria:**

- Minimum of 60% in all academics (HSC mandatory).
- Graduates between 2021 and 2024
- No gaps of any kind

**Qualification:** Bachelor's degree in **German language, translation studies, linguistics**, or a related field.

**Experience:** **1 to 3 years of professional translation experience** (preferably in the IT or software industry).

**Perks and Benefits:**

- Work-from-home flexibility
- Competitive salary package
- Opportunity to work with a global software company
- Exposure to world-class developer tools and documentation projects

**Venue:**

**Syncfusion Software Pvt., Ltd.**  
AJ-217, Eymard Complex,
