

Thomson Internet

Thomson Internet offers a variety of Internet connection options. From dial-up to high-speed broadband to business lines, Thomson is your full-service Internet service provider.

With competitive pricing, knowledgeable staff and fast service, we're ranked highest in customer satisfaction.

High-Speed Broadband

Lightning fast, always-on Internet. Thomson Broadband is up to 20x faster than dial-up with speeds of 1Mbps.

- Free your land line – phone and surf at the same time
- Surf instantly – always-on service means you don't have to wait for dial-up connections.
- Get started quickly – start your service in a few simple steps.
- Enjoy fast downloads – download songs and videos up to 20x faster than on dial-up connections.

Take the first step today. Call and speak with one of our representatives for more information on pricing and availability.

For a limited time, your first three months of service are free with a two-year contract. Modem and installation are priced separately.

Thomson's broadband services are not available in all areas. But ask about our competitive rates on dial-up access.
